MUSSELBURGH FLOOD PROTECTION SCHEME

PUBLIC EXHIBITION NO. 1

Event details:

The Brunton Theatre, Musselburgh

Venue 1

Tuesday 30th & Wednesday 31st July, 2019

From 11am to 8pm

An opportunity to view the flood risk to Musselburgh and the flood risk reduction options which have been developed by the project team

This event is a follow on from the successful open day and call for historic information which was held in February 2019. The project team has now defined the flood risk and is trying to determine the preferred combination of flood risk reduction measures. The team encourages you to view these options and comment on them → your input is now essential.

Members of the project team and other flooding organisations will be available to discuss the project and flood risk with you. We hope you can attend this event
